# STUDENT INJURY INSURANCE RENEWABLE ON THE 1 FEBRUARY 2019!

Did you know that the NSW Department of Education (DoE) **does not** provide accident or medical cover for students enrolled in government schools?

When your P&C Association purchases a Student Injury policy, each child enrolled at the school will have cover whilst at school and at home. That's right, the cover is not limited to school hours, it provides 24 hours a day 7 days a week cover for an affordable cost!

Accidents can happen when you least expect them especially with active adventurous children.

We encourage your P&C Association to discuss and consider purchasing Student Injury Insurance for your school.

This product provides peace of mind for the families of children enrolled in your school. Your child can be covered on the way to school, at school and at home on the weekends – round the clock cover for your little learner.

The cost of this cover is less than \$5.00 per child, but the policy must be taken out on a whole of school basis, not individually.

If you have any enquires, or if you'd like to discuss this cover in more detail, please contact our Insurance Brokers. The team at Andrews Insurance Services will be happy to help.
